Quorum: 4 (to include one Ward Councillor)  
Meeting Cycle: When required  
Reports to: Community Services Committee (yearly)

This document records the delegation of Council functions, responsibilities, duties and powers to Community Panels ('the Panels'). The delegations are expressed in general terms. The delegations shall be exercised with proper regard for the Council's strategic direction, policies, plans and Standing Orders.

Note: Community Panels are a new concept for Hutt City. Council has deliberately kept the guidelines and rules broad and at a high level. Panels are encouraged to help shape themselves and evolve in order to best meet their key responsibilities.

## **PURPOSE:**

The Panels were established by Council at its meeting held on 23 May 2017. The purpose of the Panels is outlined in the general functions listed below. The role of the Panels is to represent and act as an advocate for the interests of their communities.

## **GENERAL FUNCTIONS:**

- **Representation** – discuss, debate and provide feedback to Council on all important local issues, city wide matters of significance, Annual Plans and policy setting.
- Allocate and manage a **Local Community Projects Fund**.
- Allocate and manage the local **Community Engagement Fund for the Central, Eastern, Northern and Western Wards** to assist and support local community events and initiatives.

## **GUIDELINES AND CRITERIA FOR LOCAL COMMUNITY PROJECTS FUNDS:**

- To be used to fund one or more local community projects per triennium.
- Projects are to develop community assets that are not able to be funded in Council's Long Term Plan and/or Annual Plan.
- Community assets include, but are not limited to, playgrounds, street furniture, public art, tree planting, lighting, safety improvements, way finding, signage, improvements to existing public places and facilities. These community assets should be in public spaces.
- The development of new assets needs to be in accordance with Council strategies, policies and plans.

- Where on-going maintenance and or other costs are required after completion, these need to be provided for. This may be by way of formal agreement with the relevant division of Council.
- Approval of spending must be by resolution of the Panels.
- A report must be submitted, at the end of each financial year, to the Community Services Committee, detailing expenditure over the year.

#### **CRITERIA FOR THE PANELS TO MANAGE THE LOCAL COMMUNITY PROJECTS FUND:**

- See attached Appendix 1 for the internal process that must be followed to ensure appropriate officers receive information on projects and can provide feedback.
- Projects must be supported by officers if there are on-going maintenance or other costs post completion.
- Each Panel will agree and determine a process for determining how projects will be identified and how funding decisions will be made.

#### **CRITERIA FOR THE PANELS TO MANAGE THE COMMUNITY ENGAGEMENT FUND**

- The fund is for local activities and events that directly benefit the communities concerned.
- To be eligible for funding the organisation must be a charitable trust or an incorporated society and the activity must take place within the Hutt.
- Panels may choose to allocate the entire fund in one funding round or they can have two funding rounds per annum. An appropriate assessment sheet is used by members when determining which organisation(s) should receive funding.
- The funds can be used towards the hireage of equipment, advertising costs, purchasing food for a specific event. Operational costs cannot be applied for.
- Organisations that are granted funding are responsible for completing an accountability form to report on the funds spent.
- Council's Community Funding Advisor is available to support and assist community groups when making applications through the Council's online grants system.

#### **STANDING ORDERS:**

The Hutt City Council's Standing Orders apply, subject to the provisions for meeting quorum and decision making as set out in these delegations.

#### **INFORMAL MEETINGS AND ADMINISTRATION:**

- Where funding decisions are not being made, the Panels are encouraged to meet informally.

- Council's Secretariat Services Division will support each Panel by way of formal meeting administration, co-ordination and governance advice.
- A senior member of Council's Community Services Division will support each Panel.

## **CHAIRS**

Chairs will be recommended to Council at the beginning of the triennium, for a 12 month period. At which point, the Panel will elect its Chair for the remaining term. It is preferred that Ward Councillors are not Chairs, although this is possible should no other panel member be able to commit to the role.
